Make Checks payable to : **Fannin SWCD**

Pick Up Trees: **Friday, January 12 from 11 am - 5 pm**

Please Note: Pickup Date is subject to change.

Please include contact information in your order.

Derrell Hall Education Center

2505 N. Center Street

Bonham, Texas

Located next to the Fire Station and across the street

from the USDA Service Center

Trees will be sorted and organized in the grassy lot behind the building.

Please Note:

The trees and plants are bare root and need to be picked up ASAP!

Please refer to the "Description Page" on pecan trees.

All bare root trees and plants are susceptible to drying out, especially pecan trees. The trees will be packed in moisture retaining material, but it is essential for the success of the plant to be picked up and care taken to plant/water in a timely manner.

Planting instructions are available as well as instructions of how to hold over the trees and plants until they can be planted.

Fundraiser is sponsored by:

**Fannin Soil and Water Conservation District,
Fannin County Master Gardeners, and
4-H Clubs of Fannin County**
